Peace Valley Charter School Enrollment Lottery Results 2025-26

The following individuals have been selected in our first round of enrollment offers.

Families will be notified shortly, and once notified, they will have 48 hours (excluding weekends and holidays) to accept the offer. If a family does not respond within this timeframe, the spot will be offered to the next student on the waitlist.

If your child's name is not on this list, they have been placed on the waitlist. Please be patient, as we will reach out as soon as a spot becomes available.

Thank you for choosing Peace Valley Charter School. We look forward to beginning this educational journey with your family!
